

OPANDE AFRICA INVESTMENTS

COMPANY PROFILE

LAND & REAL ESTATE DEVELOPERS
& MANAGING AGENTS

Opande Africa Investments is a Real Estate Firm and has been engaging in Land & Real estate management since 2008.

Opande Africa Investments offers real estate services ranging from management and sale of land, residential and commercial property.

Our establishments offer superb architecture, prime location, state-of-the-art amenities and a pleasing decor.

We have a wide experience in sale and purchase of residential, commercial and industrial lands.

We Believe In:

- Serving with integrity
- Conducting our business with honesty and ethics.
- Treating everyone with care, respect, and fairness
- Growing through innovation and creativity

We have a vast database of clients who want to sell or buy properties.

We recognize & understand the need of our clients and assist them in finding suitable property, which suits their requirement and budget.

Our Mission

Is to cater needs and requirements of our clients in sale or purchase of property, property valuation and property management.

#

Our Services:

Marketing of Property for Sale:

We market property using the latest innovative strategies previously unexplored in the region.

Property Management:

Opande Africa Investment undertakes management of both commercial and residential with a personalized approach to each of its clients.

Property valuation

With the ever changing market, a new project must conform to market demands. We also advice our clients on the viability of their property and prospective returns.
